Co-ordinator

An Industrial Visit to Bioriidl Somaiya Vidyavihar University, Vidyavihar, Mumbai - 400077 was organized by LSHGCT's Gahlot Institute of Pharmacy, Kopar Khairane, Navi Mumbai, for Final Year B. Pharm students on **August 07, 2026**. The visit provided students with an opportunity to gain practical exposure to explore prototyping, validation, and commercialization pathways for final-year biotech/tech projects. Learn about bio-entrepreneurship, government grants (e.g., BIRAC, BIG grants), and incubation support. Bridge the gap between academic theory and real-world industrial biotechnology applications. The visit to bioriidl at Somaiya Vidyavihar University was extremely informative and bridged our core academic curriculum with industry practices. We extend our sincere gratitude to the management of Bioriidl, the lab coordinators, and our department faculty for organizing this educational opportunity.
