Mrs. Sushma Charpe
Co-ordinator

An **Industrial Visit to Gansons** was organized by **LSHGCT's Gahlot Institute of Pharmacy, Kopar Khairane, Navi Mumbai**, for Final Year B.Pharm students on **July 24, 2026**. The visit provided students with an opportunity to gain practical exposure to pharmaceutical manufacturing processes and industrial operations. The visit aimed to bridge the gap between theoretical knowledge and industrial practice. Students were introduced to various pharmaceutical manufacturing equipment, quality assurance and quality control practices, production workflows, and Good Manufacturing Practices (GMP). They also gained insights into industrial safety measures, regulatory compliance, and the functioning of a modern pharmaceutical manufacturing facility.
